

CHENGHAO MA (CHARLES)

18-20 Houston Rd., Kensington, 2033
(+61)0449075877 ◇ c.ma@student.unsw.edu.au

CARRIER OBJECTIVE

A junior programmer is seeking an internship or part-time job related to Front-end Development. I have rich experience in JavaScript and have good self-motivation in learning and working.

EDUCATION

University of New South Wales, Sydney
Master of Information Technology

February 2018 - Present
Weighted Average Mark: 81.6

Chang'an University, China
Bachelor of Engineering

July 2013 - June 2017
Weighted Average Mark: 80.0

PROJECTS

Math Game

An online math game using HTML, CSS and JavaScript.

Github link: <https://github.com/chenghao-ma/frontend-exercise/tree/master/MathGame>

Flask back-end & Crawler

A back-end server developed by Python-Flask framework, which can crawl LinkedIn profiles using selenium and cluster people based on their profiles.
